Wedding Guidelines

Tauhara is a beautiful and unique venue to use for your special day. We welcome weddings at the Tauhara Centre. We have an on-site Celebrant should you require her services. We can cater your wedding with gorgeous food, meat and/or vegetarian menu - or you can choose self-catering options. Family and friends are encouraged to use our accommodations to stay over.

Please read our policy guidelines:

* we have a Low Alcohol Policy - we encourage people to drink responsibly. (As an approximate guideline - 3-4 glasses of wine or 3-4 bottles of beer with a meal)

*Wedding music needs to be turned to low volume from 11pm and off at 11.30pm

* We are a Smoke Free venue. Outside our front gate is acceptable.

* We have a bond of \$350 to be paid before the wedding to cover any breakages or any breaches of the guidelines as shown above.

* Each guest must be made aware in writing of our policies.
